## THE TEAM

### About CentreCourt

CentreCourt is a fully integrated real estate development organization that operates across all areas of development including land acquisition, zoning, design, marketing, sales, construction, and customer care. We are currently focused on large scale, high-rise residential communities located near major amenities, rapid transit networks and employment nodes across the Greater Toronto Area (GTA).

Since its inception in 2010, CentreCourt has been the top performing residential developer in the GTA and was recognized by Canadian Business as one of Canada's fastest-growing companies. Today, CentreCourt is one of the largest high-rise developers in Canada with 19 high-rise residential projects (completed and in construction), collectively representing over 10,000 homes and over \$5.6 billion dollars of development value.

Cowie Capital Partners Inc. was founded in 1996 and is a private equity firm, focused on real estate investment and management. It owns and manages a portfolio of office, industrial, self-storage and retail assets. Cowie Capital actively manages tenant build-outs, and internally develops self-storage facilities and other real estate assets. Cowie Capital also has industrial land holdings for future development. The company also invests in and manages large-scale mixed use projects with, and on behalf of its partner companies, and is an investor in several early-stage companies, with a focus on real estate or real estate-related companies.

Salthill is a leading real estate company with a \$2.2B – 9.3M SF retail portfolio under management. We are focused on delivering a superior level of services to our clients and excellent risk-adjusted returns to our Investor Partners.

Salthill is led by a team of executives with a proven track record and extensive experience across various asset classes including regional shopping centres, office buildings, and mixed-use residential communities. Salthill is a fully integrated real estate firm. In addition to property management and leasing services, upon request, we provide our clients with investment management, asset management, master planning, development, construction and strategic advisory services.

Figure3 is one of Canada's most distinguished interior design firms. Leveraging design-based research and brand strategy, Figure3 helps its clients realize environments which achieve an equitable connection between people and place. Independently-owned and based in Toronto with a diverse, entrepreneurial team of 70+ creative thought leaders, Figure3 has established itself as a trusted partner for over 25 years. It is the unique perspectives and ideas of their people which continue to be the foundation the company's excellence.

kg&a is an award-winning boutique public relations firm, established in 2003. Over the last decade they've earned their reputation as one of the only communications companies in Canada specializing in the urban landscape. Their niche focus is design, architecture, interiors, residential and commercial real estate, urban design and economic development. Their approach is unique. They're research obsessed media junkies with backgrounds in journalism, digital media, brand strategy and event programming. They know the landscape inside and out and understand that landing a story is great, but building the story and the brand is better.

Diamond Schmitt is a global architecture firm designing transformative, purpose-driven, and highly sustainable buildings from its four studios located in New York, Toronto, Calgary, and Vancouver. The firm is a boutique practice of accomplished design architects who collectively create innovative design solutions for leading cultural, academic, research, healthcare, and civic spaces worldwide. Always drawing inspiration from each site's surrounding community, architectural, and historical contexts, Diamond Schmitt's visionary designs can be found in more than 50 cities around the world.

Gladstone Media is a full-service creative agency. We provide turnkey marketing solutions that are strategic, meaningful and effective, helping brands to stand out and connect with their audiences. From research, strategy and planning, to copy, design, production, and seamless execution, our in-house team delivers outside the box campaigns that get results.
