

Honeystone

WEST BRAMPTON

Freehold towns &
single-detached homes

Welcome to Honeystone: where house becomes home

At Honeystone, harmony of house and home is not just an aspiration – it is a living reality. In this community of freehold townhomes and single-detached homes, each residence embodies the perfect balance between architectural style and the qualities that transform a house into a cherished home.

From cozy private spaces that beckon quiet reflection to open living areas that foster togetherness, each home offers a sanctuary that nurtures both your individual spirit and the collective needs of your family.

In a prime West Brampton location, Honeystone is conveniently situated at Mississauga Rd and Bovaird Drive. This location, known as Heritage

Heights, is the centre of a vibrant plan to emphasize a complete, sustainable and connected community that allows residents to maintain a high quality of life.

The Heritage Heights community is a vital cornerstone in the city's progress towards achieving the Brampton 2040 Vision: offering residents a new town centre with complete, full-service, mixed-use developments with plentiful work and housing opportunities.

poised for success

4k Acres in size, the Heritage Heights community is poised to become a complete, vibrant town centre

Where safety, joy, and connection thrive

Honeystone proudly stands as an exemplar of well-connected family living. Its strategic location creates a harmonious relationship between urban convenience and a nurturing community environment. Seamlessly intertwined with the surrounding area, this collection of contemporary homes affords you swift access to vital transit arteries and major highways. This ensures your daily convenience and amplifies the shared sense of belonging within the community.

West Brampton is an enchanting area that brims with cultural vibrancy, unparalleled convenience, and a palpable sense of welcoming. This dynamic community serves as a testament to the convergence of modern urban amenities and the heartwarming embrace of a traditional neighbourhood. Positioned in close proximity to an array of shopping districts, esteemed schools, and diverse faith centres, West Brampton ensures that every essential facet of life is thoughtfully within reach.

Family-centric living at Honeystone

Honeystone is nestled in the Heritage Heights area of West Brampton. A place where tranquil streets and carefully planned pathways ensure walkability and peace of mind. From dusk to dawn, each DECO home is illuminated, fostering an environment where residents can stroll and gather with confidence. This commitment to security is woven into the fabric of Honeystone, nurturing a sense of belonging and unity among neighbours. Here, you're not just part of a neighbourhood – you're part of a vibrant, caring community that looks out for one another.

We understand the importance of purchasing a home that suits the needs of your family, which is why Honeystone offers both freehold townhomes and single-detached homes, each with their own unique allure. Freehold townhomes effortlessly combine space and efficiency, making them perfect for the modern family. On the other hand, our single-detached homes provide the pinnacle of privacy and space.

Whichever you choose, the benefits are bountiful – a comfortable and contemporary haven tailored to your preferences and lifestyle.

DECO

The builder behind the vision

At DECO, we understand the art of home building is all in the details. Our forward-thinking approach to architecture, smart design, quality craftsmanship and environmentally sustainable practices is the foundation for everything we do.

DECO is committed to more than just building houses. As your builder, we introduced DECO WELL, which goes beyond the ordinary to ensure the well-being of your family and the generations to come. With thoughtfully curated live well features, we're redefining living for a healthier, happier you.

Every homeowner will receive a one-on-one decor selections process in our 4,000 sq ft decor studio.
